

JUSTICE FOR IMPRISONED ANARCHIST TOBY SHONE!

On 6 May, a judge will decide whether or not to grant a Serious Organised Crime Prevention Order (SCPO) against imprisoned anarchist Toby Shone. Found not guilty of terrorist charges in relation to an alleged involvement in 325.nostate.net, he was imprisoned instead for possession of psychedelic medicines including psilocybin and LSD. The police are attempting to avenge their inability to bring a political case against him due to no evidence, by applying for an Order which will put Toby's finances, use of devices, movements, housing, employment and his friends and family under intense surveillance and control by the cops for the next 5 years at least. The reason being given by the cops to justify this SCPO is Toby's "chosen, alternative lifestyle and beliefs".

To show your support for Toby, come to Bristol Crown Court at 830am Bristol Crown Court on 6 May.
